

# The Elizabeth Prentiss Study

I can just imagine having quiet times each day, sitting near a cozy fireplace. This is a form of worship and fellowship with the Lord.

In the old days, everyone would have set times for Family Altar or Family worship. Most did this twice a day - once in the morning and once in the evening.

Sadly, this practice has mostly fallen away.

To help, in some small way, I have designed this study for individual use.

We will be using the book "Stepping Heavenward" by Elizabeth Prentiss. The program includes 5 daily assignments:

1. Bible reading.
2. Reading Entries from the book.
3. Prayer.
4. Listening to Godly music or singing hymns.
5. Writing entries in your own private journal to help chart your spiritual progress.

# **Overview**

This is a three month (90 day) study using the book, "*Stepping Heavenward*" by Elizabeth Prentiss.

It is not a book study (or discussion), but rather a life transforming program.

This is something I created originally to do as a Women's study at our church. I have expanded and adapted it for use on the internet.

## **Who was Elizabeth Prentiss?**

"Elizabeth Prentiss, born in 1818, was the youngest daughter of Edward Payson, one of the great revival preachers of the early nineteenth century. The keynote of her religious character is struck in her famous hymn - More Love to Thee, O Christ. She is best known in our day for the marvelous books she wrote. They have touched the lives of hundreds of thousands of women all over the world. The aim of her writing was to incite patience, fidelity, hope, and all goodness by showing how trust in God can make a Heaven on earth and brighten the darkest path."

## **What is the book about?**

"*Stepping Heavenward*" is a fictitious journal. It takes us through the life of a girl from early adulthood until close to her death. We learn of her struggles, her joys, her sorrows and the godly wisdom she develops. The book is very easily summed up in the title. It is about walking heavenward.

Our goal with this study program is to transform our own lives. We will be keeping personal journals and doing daily tasks.

## **What is expected of you, personally?**

(Complete details are included in this book.)

1. Read 2 chapters in the Bible. (We will be reading through Psalms and Proverbs)
2. Read 3 entries from the book (*Stepping Heavenward*).
3. Write in your own personal journal, just like the author did. This will chart your spiritual progress.
4. Listen to godly music or sing hymns.
5. Daily prayer.

## **What supplies do I need ?**

1. A copy of the book, "*Stepping Heavenward*" by Elizabeth Prentiss.
2. A three ring Binder.
3. Filler paper.
4. You will also need to print out this document and place it in the binder. There are daily sheets for you to fill out.  
The Binder is for this document and also for your journal (using the filler paper).

Bible Note: We will be reading Psalms (150 chapters) and Proverbs (31 chapters) in order.

## **Details:**

Days 1 – 89 read 2 chapters each day.

Day 90 read 3 chapters.

Book Note: We will be reading *Stepping Heavenward* in order. There are 265 entries in the book, not including the foreword and end – notes.

## **Details:**

Days 1 – 85 read 3 entries each day.

Days 86 – 90 read 2 entries each day.

[Please check off as you do each item. Use the space below for notes.]
